

Y6 Respect
Homework, notice and reminders
September 2013

30 Sept 2013

Finish "Practice exercise 1" (for investigating patterns/ assessment 2).
We will discuss and check answer on Thursday.

27 Sept 2013

Check assessment wiki for assessment 2 notification
Finish worksheet - Fractions-Four operations-diagnostic tasks (show workings, if spaces not big enough, do your work at the back of your worksheet)
Finish all Mathletics tasks.

16 Sept 2013

Copy your H&H MYP1 CD to your MacBook, I will check if you have it on your desk top or not tomorrow.

Finish the Mathletics task which was set last week, due 18/9
Wednesday 8:00am.

12 Sept 2013

The following students either haven't brought in two restaurants' menus or brought in menus with no or very little decimals.

Make sure you bring them in tomorrow, write your name and class on the menus and put them in the white tray (which is near the windows and the sink)

Ethan C, Eugene, Alison, Aidan, Ethan H, Ji Ho, Ethan L, Thomas, Griffin, Valdis, Katherine, Amanvir, Yuki, Karen, Jacky, Joyce, Yaffa, Lara, Vien, Hayden

1. Prepare for the coming Monday's budgeting assessment (16 Sept) by:

- a. do corrections for all exercises you've done in the Maths Journal,
- b. finish the revision exercise I've uploaded in the assessment wiki, check answer and do corrections (download answers from the assessment wiki also)
- c. do the Mathletics set task (use last year's log in name and password)

9 Sept 2013

1. Hand in the complete class party budget (Maths Journal) tomorrow.
 2. Finish the supplementary worksheet, if you haven't done so in class.
- Revision on decimals (check answer and do corrections)
Division of decimals - Exercise Exercise 1 (check answer and do

Revision and Exercise 1.docx

corrections)

must show clear steps and working for high scores for criteria C.

- Check the assessment wiki for Assessment 1 - budgeting notification, guideline and revision exercise.
- Start to research and bring in at least 2 restaurant's menus not later than Thursday (to be use for next Monday's assessment).

6 Sept 2013

1. Finish the following classwork if haven't do so in class:

Group A: H&H 9G and 9F (all questions)

Group B: H&H 9G and 9F (1/2 questions only)

Group C: H&H 9G and 9F (1/3 questions only)

2. Glue "today's task" on your Maths Journal, finish the class party budget and follow the format attached

class party budget_template.xlsx

(must use real

data - due next Tuesday 10/9)

ATYP students also need to do task the budget task.

5 Sept 2013

H&H p.177 Ex 9E (3c, 4g, 5f), Ex 9F (5a-d, 6a-d) (do in Maths journal, check answer and do corrections)

3 Sept 2013

H&H p.171 Ex 9B (1c, 1d, 2b, 2e); p.173 Ex 9C (1d, 1f, 2c, 2h, 3av, 3aviii); p.175 Ex 9D (2b, 4, 6e, 7b)

2 Sept 2013

Remember to bring in everyday life examples of decimals to your next Maths lesson.

H&H p.167-169 Ex 9A (1a, 1c, 2b, 2d, 3c, 3f, 4d, 4g, 5b, 5h, 6e, 6k, 7a-h, 9i, 9j, 10b, 10e, 11d, 11f)

30 Aug 2013

Collect from magazine, newspaper, advertisement, website, take photo in real life anything about decimals, print or cut and bring in on Monday.

26 Aug 2013**

Glue the worksheet 'Maths & Me' in the first writing page of your Maths Journal and answer all the 6 questions.

Write a few sentences (reflection/ summary) about your first MYP Maths lesson.
